

I am so excited to reach out to you today with the latest offering from Two Tales Press.

The second title in our exciting, popular Jayne Thorne, CIA Librarian series is here! **MASTER OF SHADOWS** is a remarkable second entry to the series, and brings on board a stellar new co-writer, fantasy author R.L. Perez. R.L.'s deep love of books and popular culture helps make this a must-read series for anyone interested in books, movies, games, and libraries, of course.

Joss and R.L. have been plotting and planning for months. The series is growing, the next installment is underway, and an additional mini-series is planned to flesh out the world before Jayne touched the fated grimoire and magic returned to the world. Tantor Media has contracted for six books in the series, and Erin Moon will reprise her narrative role as Jayne Thorne.

There's nothing more exciting than seeing a beloved character grow and change, and **MASTER OF SHADOWS** delivers. The early reviews have been stellar, and we've received several excellent endorsements.

MASTER OF SHADOWS

Book 2 in the Jayne Thorne CIA Librarian series

July 31, 2022

A lost grimoire. A dangerous new enemy. And a powerful magical weapon that could destroy the world.

Jayne Thorne, CIA Librarian, is back for another exciting mission. When her mentor goes missing, Jayne is sent to Paris to find him, only to land in the crosshairs of a deadly terrorist organization and their diabolical weapon, a mysterious poison that renders their enemies powerless.

Fighting to combat this weakness, Jayne struggles to make peace with her sister, who has been hiding the truth of their family history for years, and overcome difficulties with her shifter boyfriend, who can't quite sync up with Jayne's new powers. Even worse, the terrorists demand she locate a necromantic grimoire in France, or they will kill her mentor.

As Jayne hunts for the grimoire, she unlocks the secret to summoning the Master of Shadows—a long-dead master magician possessing a dark and destructive magic. With this lethal power unleashed, she must protect her team from the worst magical threats they've ever faced...or suffer the deadly consequences.

Book two in the series is co-written with fantasy author R.L. Perez
